The edition of Russell's 1948–49 Reith Lectures, *Authority and the Individual*, indexed here is that of George Allen and Unwin, published in London in 1949. The six lectures are on pages 11–125. Pagination for Simon and Schuster's edition (New York, 1949) is 1–79. The present index is the fifth in a series of indexes that began with Michael Radner's name index to *An Essay on the Foundations of Geometry* (1897) in *Russell*, no. 8 (1972), mine to *Human Society in Ethics and Politics* (1954) in n.s. 11 (1991), and the present indexer's full indexes to *Portraits from Memory* in n.s. 17 (1997) and *Fact and Fiction* in n.s. 18 (1998).—Ed.
