#### About The McMaster Meducator

The McMaster Meducator is undergraduate medical that publishes iournal articles on current topics in health research and medical ethics. We aim to provide an opportunity for undergraduate students to publish their work and share information with their peers. Our protocol strives to maintain the highest standard of academic integrity by having each article edited by a postgraduate in the relevant field. We invite you to offer us your feedback by visting our website: www.meducator.org.

The McMaster Meducator may be contacted via our e-mail address:

#### meducator@gmail.com

or our mailing address:
